

WELCOME TO ALPHA & “AFTER ALPHA”

Over 12 million people worldwide have now attended an Alpha Course, an opportunity to explore the meaning of life, running in tens of thousands of churches of all denominations, and at universities, in prisons and on military bases across the world.

At an Alpha course, people explore the Christian faith in a relaxed setting over ten thought-provoking weekly sessions, with a day or weekend away. It is low-key, friendly and fun – and is supported by all the main Christian denominations.

Why not take this opportunity to explore the meaning of life?
